Reports Analysis Division
Federal Election Commission
999 E Street, NW
Washington, DC 20463

To whom it may concern:

In the process of winding down its activities, the Committee discovered a cash-on-hand discrepancy between its reports and its bank statements. The source of the discrepancy could not be determined. Per advice from the Reports Analysis Division, the Committee has adjusted its cash on hand total through a Line 21 entry on its 2011 April Quarterly Report.

Please let me know if you have any further questions.

Best,

Christopher B. Cannon
Treasurer
Cannon For Congress
